The ECIN Gives You Everything In One Package

Why purchase all of the separate parts for a reclaiming system from several suppliers when you can get the entire system from one?

The ECIN comes completely assembled and ready for use.

The package includes:

- Hydroblaster- high pressure washer, 1, 2 or 3,000 PSI
- Hydrobooth- backlit washout booth
- Hydrokleen- CFS3 wastewater filtration System

**It's plug and play...set it in place, hook up water, electric power,
run a hose to the drain and your done!**
